We are excited you have chosen one of our unique puppies. We want to make sure the purchase and transport of your puppy is very easy for you. We do ask for a \$300.00 deposit to hold the puppy that you have fallen in love with. You can pay this by check or credit card. If for any reason we feel that completing the sale is not in the best interest of the puppy we will cancel the contract and return your deposit.

30 Day Health Guarantee

This puppy is covered with a 30 day health guarantee provided by the breeder. Within 10 days of purchasing your new puppy. You must take him/her to a licensed veterinarian for an examination., If the veterinarian determines within 10 days of purchase that your dog is clinically ill or has died from an injury sustained or illness likely to have been contracted on or before the date of sale and delivery, you have the following options:

- Return the dog for a complete refund.
- Return the dog for a replacement dog of equal value.
- Retain the dog and receive reimbursement for reasonable veterinary fees, not exceeding the purchase price.

These options do not apply where a seller, who has provided a health certificate issued by a veterinarian, disclosed in writing at the time of sale, the health problem for which the buyer later seeks to return the dog.

If, within 30 days of purchase, a licensed veterinarian determines that your dog has a congenital or hereditary defect, you have the same option as outlined above.

You must notify the seller of the examining veterinarian's name, address & phone number within 2 days of the vet's certification of your dog's illness. Failure to notify the seller within two business days will result in forfeiture of rights.

If your puppy has a genetic health problem in the 1st year of life and is diagnosed as genetic by a veterinarian, we will refund you the money paid for your puppy. We will not pay for any bills, health testing or medications for your puppy. We know your puppy is part of your family and will not ask for the puppy to be returned. We will accept the puppy back if you wish to return it however.

We want to assure our puppies that they will always have a family and a home. If for any reason you decide that you cannot keep your puppy, no matter what age, you will be required to contact us before you sell or give your puppy away. We will approve the new home or help you find a new home for your puppy.

We want our puppies to all have a forever home and family. We do understand that sometimes circumstances do not allow for the puppy to stay in their original adopted home and we want to make sure we put the puppies best interest first.
